[Architectural Digest Home Design Show – Day 3](#)

Well, yesterday I was too exhausted to produce an update! It's quite an experience to be at this kind of show, the level of energy, the number of people, and the fact that the place heats up quite a bit when the sun shines on the metal roof, all that can make you quite tired come 7pm! (Not to mention seriously sore feet!)

But, as promised, here is the info on my neighbor to the right. Her name is Kristine Baerlin, and she turns photograph portraits into the most amazing hand painted pieces of art! Lots of dots, and no computer involved! Really special and cool. Her website is [figmentstudio.com](#). Check it out!

Tomorrow is day 4, the last day. Depending on how flat my feet will be , I'll give you another report.
