We have been waiting for the 2010 Architectural Digest Home Design Show! This is by far one of the most anticipated interior design events of the year. Taking over Pier 94, the Architectural Digest show is set to feature some heavy hitters in both the interior design and home furnishings industry. Attendees of the event can expect the following:

Access to **Interior Design** &
Designer Seminar Series- *Eco-Friendly Decorating*, *Color & Texture*, *The Zen Home*, and more
Cooking demonstrations & tastings
Over 300 exhibits of innovative home furnishings and decor
Complimentary 20 minute design consultation
