MAR 22ND 2010 10:12 AM 2010 DINING BY DESIGN

What a wonderful "New York" weekend!

♡ high-gloss black chairs, crystal and serious sparkle!

I quite like how the
chair upholstery colors plays
with the blue in the
violet & pale green arrangements
.....
it's all in the details

Brad Fox's piggy bank collection = Swoon-worthy!

This table
felt like a quick
trip to Napa.

The lighting
set the mood for
dining al fresco.

Incredible, *right?* Cocktails by Design was a wonderfully fun party and Guest of a Guest managed to document it beautifully! Pop by Guest of a Guest to see all the party guests and the fun we had.
