### PICTORIAL WALLPAPERS AT IPCNY

Two hundred years of wallpaper design, via almost 40 examples, are featured in "Wallworks: Contemporary Pictorial Wallpapers," Mar. 11-Apr. 24, 2010, at the **International Print Center New York** at 526 West 26th Street in Manhattan. Organized by decorative arts specialist **Sarah Richards**, the survey includes papers celebrating **George Washington's Inauguration** and **Queen Victoria's Jubilee** as well as wallpaper illustrated with images from the American West, space travel and plants and animals.

The show is presented in conjunction with the **New York Design Festival**, which includes the **Architectural Digest Home Design Show** on Pier 94, **Go Green Expo** on Pier 92, and the re-christening of the **Merchandise Mart** showrooms across from the **Empire State Building** (home of the **Volta** art fair) as **7 West New York**.
