Designers Wheel Out Their Latest

Architectural Digest brings its annual Home Design Show to town this week. The design juggernaut presents three days of demonstrations, book signings, consultations, and curated tours of the latest in housewares from the likes of Ethan Allen, Georg Jensen, Mitchell Gold + Bob Williams, and about 300 others. In addition to scanning housewares, you can pick up contemporary art at Pier 92, as part of the Artist Project New York, a show of up-and-comers from around the world (Pier 92 and 94, Hudson River at 55th St.; Fri.–Sat. 10 a.m.–7 p.m., Sun. 10 a.m.–6 p.m.; \$25 for three days).
