# ARCHITECTURAL DIGEST HOME DESIGN SHOW

The tenth anniversary edition of the Architectural Digest Home Design Show will take place March 17-20, 2011 at Pier 94 in New York City.

The most recent Show (March 2010) drew a record 31,300 attendees, a 31% increase over the previous year. Exhibitor participation grew by 12%.

The Show is pleased to once again offer a 15% exhibit space discount to members of the Furniture Society.

The "MADE" section of the Show features artists and designers of limited edition and/or one-of-a-kind objects and furnishings. "MADE" has nearly quadrupled in size in just three years, and 83% of the 2010 MADE participants have renewed their space for next March. Exhibit space in MADE includes 10' high finished white walls, white carpet, black vinyl lettering identifying the participant's name and an aluminum truss from which rented lighting may be affixed.
